The Purpose of the Newsletter

The purpose of this newsletter is to provide specialised information to members of Platinum Province regarding all things Membership.

Any queries/ questions may be addressed to the Provincial Recruiting Officer, Moth Jimmy at:

083 307 8384 or Platinumrecruits2019@gmail.com

Completing the GHQ1 - What is important: While the personal details such as ID number, email phone numbers are key requirements, it is the **“Military Service Details”** and the **“Operational / Border Duty Details”** section that will assist in qualifying the prospective member.

It must be completed as detailed as possible. Any Operations, camps and callups must be included to assist in determining whether they qualify. This section is to be completed in conjunction with Annexure B of the GSO’s to clarify under which clause they qualify to join the Order.

The **“Declaration by the Applicant”** is the second most vital component of the application and it is important that the Applicant understands its contents. It is in effect an affidavit that provides a binding oath that the Applicant acknowledges the Order’s requirements and that they do qualify to join the Order.

“It is and remains the responsibility of the Shellhole to ensure their members are on their Nominal Roll...”

GHQ5 - When to submit.

Once the new recruit has been installed by the Shellhole, the completed **“Confirmation of New Member / Recruit Initiation” form (GHQ5)** along with the signed **GHQ1** and attachments as well as proof of Capitation Fees paid to the next Senior Unit is submitted up the Line.

Getting your new Recruit onto the Roll

On receipt of the application, the Provincial Recruiting Officer will validate the submission and confirm the receipt of Capitation Fees in the Provincial accounts.

The Provincial Recruiting Officer will only add the new member onto the MOTH Member Management System and generate a membership number once the following conditions are met and on receipt of the following:

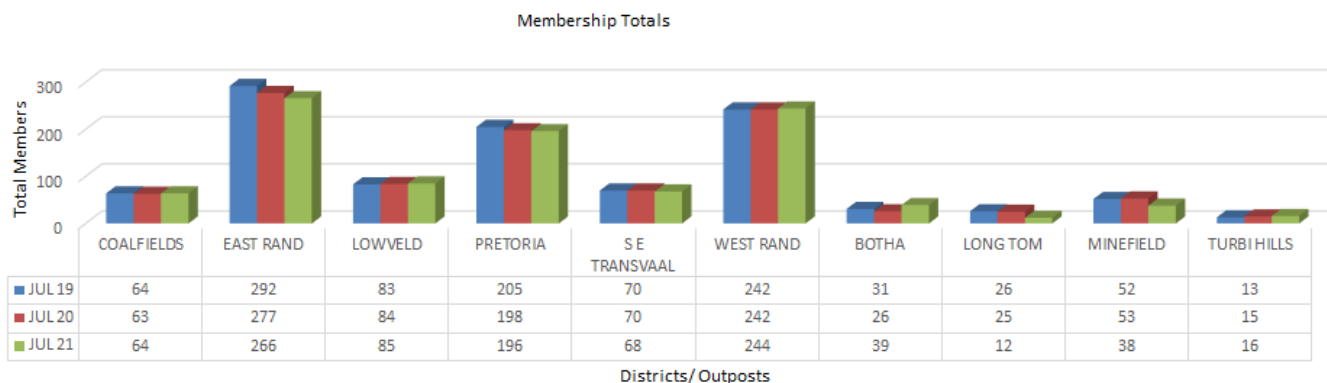

- A fully completed and signed GHQ1 with any attachments (ID & Proof of Service).
- A fully completed and signed GHQ5
- Proof of Capitation Fees paid to Province (Not Shellhole or District)

These Documents are to be mailed as a complete pack to Moth Jimmy for action, not peace meal.

Only then will the new member be added.

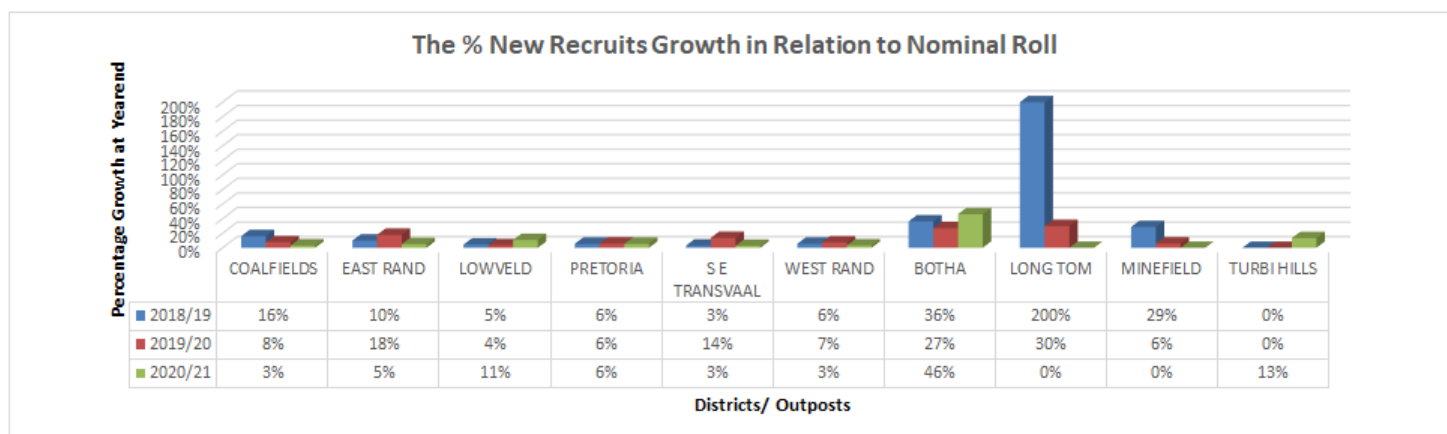

Provincial Membership Stats July 2019/ 2020 & 2021

The graph below shows the final state of members during the respective yearends where cleanups of Nominal Rolls occurred. Interesting to note that the only Unit to show constant growth between 2019 and 2021 is Lowveld District and Turbi Hills with South Eastern Transvaal and West Rand District being level during 2019 and 2020.

Wrapping Up:

As this is the kickoff edition, I'll start with some basics and some nice FYI. Any suggestions are welcome to help make this as informative and useful as possible. We will continue to reflect on the documentation process to ensure we all become versed in it.

Should the newsletter be a monthly or a quarterly edition? Let me know your thoughts.

In the next edition, we will cover eligibility to join the Order as per the current Annexure B. We will try and clarify some misnomers currently being experienced. Note this does not cover the proposed changes to the way forward for the Order. We will also touch on the role of the sponsor and how they affect the joining process.

Watch out for the invites to the upcoming Zoom sessions where you may touch sides and discuss common problems online with me.

Until then, be safe and be responsible out there!

Happy recruiting!!!
