

**MOTH 95 CELEBRATIONS
CAPE TOWN
06 to 08 MAY 2022**

Fellow Moths

It gives the Cape Western Provincial Dugout great pleasure to invite Moths from all over the world to come and celebrate our beloved Order's 95th birthday in Cape Town.

A commemoration brochure has been prepared (available on the MOTH website and at Warriors Gate), giving a brief history of how the Order quickly spread to all corners of South Africa and into neighbouring countries.

The weekend will include a meeting of the full National Executive and the GHQ meeting on Saturday 07 May at Dawn Patrol Shellhole. All other Cape Western Shellholes with the required facilities will open their doors over the weekend to receive visitors with open arms and to experience camaraderie the Cape Town way!

Welcome to Cape Town, just after lockdown!
